CHURCH MISSION  
SOCIETY  
churchmissionsociety.org

Vision: "To see all God's people engaged in God's mission, bringing challenge, change, hope and freedom to the world."

Call: To see people set free to play their part in the mission of God:

- Raising disciples in mission
- Partnering churches in mission
- Maximise the effectiveness in mission

People we know: Chris and Veronica are our link missionaries, living and working in Spain and making visits to the Middle East. They are actively discipling in Spain and long for Spanish people to come to the Lord. They also work to raise awareness of Islam and encourage Christians to share the Good News of Jesus with Muslims.

Chris runs a charity which supports Arab Christian families in the Middle East. They ask for prayers of thanks for recent family times and safety in travel, but also for the friends that they are supporting and encouraging in their journeys of faith.

## CHRISTIAN VISION FOR MEN

**cvm.org.uk**

CVM are working hard to equip the church with tools and resources that will make church a great place for your husbands, future husbands, sons and friends. Simple as that.

CVM don't want a church dominated by men or male characteristics nor do they want to make church a “men's club”. Just a place where men can be gripped and excited by Jesus.

barnabasfund.org

“Hope and aid for the persecuted Church”

Barnabas Fund aims the majority of its aid at Christians living in Muslim environments. They act as equal partners with (and on behalf of) the persecuted Church to be their voice, making their deeds known to Christians around the world and to governments and international bodies.

The Barnabas Fund works with existing local communities of churches and Christians to meet practical and spiritual needs. In addition, they take a role in informing Christians in the West about the challenges being faced, and facilitating global intercession by providing prayer materials.

## MISSION AVIATION FELLOWSHIP (MAF)

**maf-uk.org**

“All the food in the world won't save a single malnourished person it can't reach...”

MAF has been flying aid, relief and medical help to vulnerable people in hard-to-reach places for 70 years, because that's where some of the greatest human needs are. Using planes, they work in partnership with hundreds of other Christian and relief organisations to transform the lives of the world's most isolated people in need.

MAF share some amazing stories of bringing the gospel to these people, along with the practical supplies that they carry.
