*Let's be church
in the heart of
our community!*

WELL DONE!

On Friday 28th Springboard embarked on their 'sea seat' challenge to raise money for SERV the volunteer blood runners for Kent.

It was a hugely successful day and lots of fun. Thank you to all involved and for all those who supported their venture. Dot and Jacqui will provide a full update during this coming Sunday service.

Give thanks:

For the goodness of creation, as we enter Creationtide — for the beauty of the world God has made and called good, for the turning of the year towards autumn, and for the harvest now being gathered in. We thank God that after such a hot, dry summer the rains are returning to soften the earth and revive what was parched, and we thank Him for the daily gift of food, water and shelter that so easily goes unnoticed.

For our children and young people at St George's, and for the new season beginning in our children's ministry. Give thanks for all who have served so faithfully in the past and for those preparing to lead and support Fizz and Verve as our groups begin their new chapter.

For signs of compassion and courage around the world — for humanitarian workers, medical teams, peace-makers, aid agencies and countless local people who continue to serve their neighbours amid war, disaster and poverty.

Please pray:

For all our children and young people returning to school this week, and especially for those starting somewhere new — reception, secondary, or moving away to college or university. For teachers and school staff as a fresh year begins, and for parents and carers settling into new routines. That every child would find kindness, friendship and confidence in the term ahead.

For our two **September Mission Partners**, Fusion and MAF. We thank God for Fusion's work helping students find hope in Jesus and a home in the local church as a new university year begins. We pray for MAF's pilots who bring medical care, aid and the love of Christ to remote and isolated communities. Bless all who serve through them.

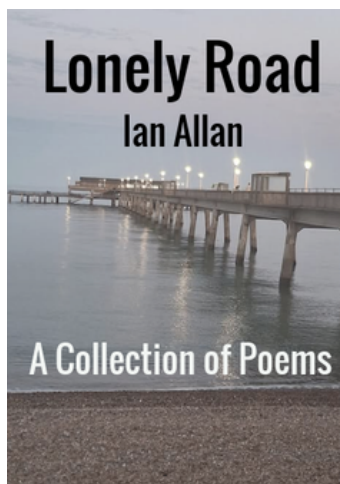

For the Deal Braderie next Sunday, 13th September, and for all that we will be part of and offer, with craft activities, refreshments, live music and quiet space for prayer. We pray for all who are planning and serving on the day, and that as we step out to be among and bless our community, everyone who passes by would meet with warmth, welcome and the love of Christ.

For our changing climate and the care of creation. Following a summer of heat and little rain, pray for those across the world experiencing drought, fire, flooding and extreme weather. Pray that governments, communities and each of us will have wisdom and courage to care for the earth and for those most affected by climate change.

For our own community in Deal, particularly those who are lonely, struggling financially, worried about the future, or facing illness and bereavement. Pray that God will show us where we can offer friendship, practical help and the hope of Christ.

Community News

Ian Allan a member of our worshipping community, has written a new poetry book which is available at £8 with 30% of the proceeds going directly to the Martha Trust in Deal. "It contains 72 of my poems to celebrate my 72 years, some accompanied by my own photography.

The book contains a broad and varied selection of humorous, reflective and thoughtful poems, including a few inspired by St. George's Church as well as giving a nod to the significance of the Royal Marines."

Copies of his book will be available after the 10.30am Sunday Service in church.

And there's more.....

Last week we said a heartfelt thank you to Dan, Pauline, Anka and Ellie for all they have given to our children's ministry over many years. As they step down, we are enormously grateful for the foundations they have helped to build and the many children and families they have blessed.

This Sunday begins an exciting new season for our children and young people at St George's — with some changes and two new names!

FIZZ is for children in Reception to Year 4, joined by Fumble the Fuggle, our curious new mascot who loves exploring our amazing world and discovering more about Jesus.

VERVE is for those in Years 5–7, giving our older children space to explore faith together as they grow.

As always both groups meet during our 10.30am Sunday service. For the moment the teams will run our children's groups on the 1st and 3rd Sunday of the month, with the usual opportunities for families in our family worship on the other Sundays.

We're excited about this new chapter and all that God will do among us. Please pray for Fizz and Verve, for everyone who will lead and help, and especially for every child and young person who will be part of them.

Friday 18th September at 7pm at
St George's Church, CT14 6BA
