For our Wednesday Harvest celebrations.

Give thanks for all who gathered around tables to worship, eat and enjoy fellowship together, and for everyone who helped prepare, serve and welcome. Give thanks too for the gifts brought for Deal Foodbank, and pray that our gratitude for God's generosity will continue to overflow in generosity towards others. Last week's newsletter had deliberately anticipated this gathering and the donations for the Foodbank.

For Deal Foodbank, and for the vital support it provides to individuals and families across our community who are struggling to make ends meet. Give thanks for the generosity of those who donate food and other essentials, and for the volunteers who give their time to offer practical help, kindness and dignity to those in need. Pray for everyone who turns to the Foodbank for support, that they will find not only the help they need but also encouragement and hope. Give thanks that, through the generosity of our community, we can share something of God's love in practical and meaningful ways.

For our PCC and MMT, as we look towards our Vision Day on 31 October. Pray for us as we gather to pray, listen and discern together what God is saying to St George's for the season ahead. Ask for openness to the Holy Spirit, wisdom in our conversations, courage to explore new possibilities, and clarity about the priorities God is placing before us. Pray that our discernment will be rooted in Jesus and shaped by a desire to see St George's flourish in worship, discipleship and mission, as we continue to serve our community and make Christ known.

For Israel, Gaza and the wider Middle East, three years on from the attacks of 7 October 2023. Remember before God all who were killed that day, the survivors and families who continue to live with its consequences, and the immense suffering experienced during the years that have followed. Pray for all who mourn, those who are traumatised and those whose homes and communities have been devastated. Pray for humanitarian aid to reach those who need it, for the protection of civilians, and for courageous steps towards justice, reconciliation and a lasting peace.

For those who lead our country, that they may be guided by wisdom, integrity and compassion in the decisions they make and the words they speak. Pray particularly for our Jewish communities, amid growing concerns about antisemitism, that they may feel safe, valued and respected. Ask God to help all who hold positions of influence to challenge prejudice and hatred in every form, to promote understanding rather than division, and to work for justice, peace and the dignity of all people.

Please hold in your prayers those within our church community who are facing illness, difficult times or personal challenges. Pray that they may know God's loving presence, comfort and peace, and give thanks for all who walk alongside them, offering kindness, friendship, love and care.
